## PROFESSIONAL EXPERIENCE

### **Ligentia USA Inc | Financial Analyst | CA, USA**

Nov 2023 – Present

- Forecasted short- and long-term cash needs by analyzing AR, AP, and inventory cycles; identified \$1.2M in liquidity gaps and proposed adjustments to optimize cash flow.
- Prepared monthly financial reports including balance sheets, income statements, and cash flow statements supporting strategic decisions for a \$50M revenue stream.
- Reconciled over 40 bank accounts per month, resolving 95% of discrepancies within the first reporting cycle and ensuring 100% accuracy in financial records.
- Supported M&A activities including financial due diligence and valuation modeling for a \$10M acquisition opportunity.
- Implemented OCR automation for invoice processing, reducing manual entry by 30% and accelerating month-end close by 2 days.
- Collaborated with sales, collections, and operations teams to reduce DSO by 18%, improving monthly cash inflows by \$500K.
- Analyzed over 150 vendor contracts, negotiated staggered payment terms, and deferred \$750K in outflows without impacting supplier relationships.

### **Deloitte LLP | Financial Analyst | Hyderabad, India**

May 2017 – Jan 2022

- Built and maintained financial models and dashboards supporting decision-making for \$50M+ in client portfolios, improving forecasting accuracy by 20%.
- Managed and digitized over 300 client payment records across SAP and Excel systems, reducing reconciliation time by 40% and improving AR accuracy.
- Designed and deployed interactive AR dashboards in Power BI, enabling 15+ senior leaders to track collections and aging trends in real time.
- Configured Power BI user access roles for a 50+ person finance team, ensuring GDPR and internal compliance with secure data handling practices.
- Spearheaded automation of payment validation and data entry using RPA (BOTs), reducing manual processing hours by 50+ per month and cutting errors by 30%.
- Supported equity research and audit deliverables in accordance with US GAAP, contributing to clean audit reports for 10+ high-profile clients.
- Resolved over 200 finance-related service requests through ServiceNow with a 98% SLA compliance rate, enhancing internal client satisfaction.

### **Deloitte Tax LLP | TAX Intern | Hyderabad, India**

Jan 2017 – Apr 2017

- Prepared and reviewed tax returns for individuals, trusts, and partnerships.
- Handled tax documentation and client coordination for 6+ clients daily.
